This card was developed in collaboration with Public Legal Education and Information Service of New Brunswick, by:

Miramichi Family Violence Prevention Network

We are network of local service providers and organizations who offer programs, services and support for women, youth and children struggling with abuse in their lives.

After you have read this card...

*If you are still having trouble finding resources or services to help end the abuse in your own life or to help somebody you care about, please contact the **Family Violence Outreach Coordinator** at 778-6496.*

***No one deserves to be abused.
We believe... we care!***

Financial assistance was provided by the Women's Program Community Fund, Status of Women Canada.
