

**SPECIAL EXPENSE CLAIM**

I ask the Court to make an order for additional child support. The additional amount is for the respondent’s share of the following special expenses. I attach as evidence documents to show why these expenses are necessary.

My special expenses are for:

- 1. Childcare
- 2. Health-related expenses over \$100.00 per year
- 3. Child’s portion of medical and/or dental insurance premiums
- 4. Extraordinary expenses for education (grade school and high school)
- 5. Post-secondary education expenses (college or university)
- 6. Extraordinary expenses for extracurricular activities
