

RISK FACTORS SUDOKU

To solve the sudoku puzzle each square in the grid must contain one of the nine risk factors with the following conditions:

- Each **row** (horizontal) of nine cells must contain all of the risk factors
- Each **column** (vertical) must contain all of the risk factors
- Each of the **boxes** of nine cells (3 x 3 cells) must contain all of the risk factors

Peer Pressure	No Job	Boredom	Alcohol	Drop Out	Abuse	No Family Support	Poverty	No Help
Abuse	Drop Out		No Family Support		Poverty			
No Family Support	Poverty	Alcohol		Peer Pressure		Drop Out		
Drop Out	Alcohol			No Job		Peer Pressure		Poverty
Boredom	No Help						Abuse	
No Job		Poverty		Abuse			Alcohol	Boredom
Poverty		No Family Support		No Help		Boredom	Drop Out	
No Help			Boredom		No Family Support		No Job	Peer Pressure
Alcohol		No Job	Peer Pressure	Poverty		Abuse
