

# Safe For Pets Too...

*in transition with you*

A province wide service that provides temporary boarding and care for animals belonging to individuals seeking refuge from **domestic violence**.

Are you experiencing abuse in your relationship?

Do you worry about the welfare of your pets or farm animals if you leave?

To get help, call the nearest transition house, domestic violence outreach office, or police.

Ask about how to get your pets to safety when you are leaving abuse.

**Safe for Pets too.**  
*In Transition with You.*

*A message from the "Safe For Pets Too" organizing committee*
